

**Need help with prescription drug costs?  
Prescription Advantage may be your answer!**

Prescription Advantage is a state-run program which helps many seniors pay for their prescription drugs. There is no charge for joining Prescription Advantage, if you have an annual income at or less than \$33,510 for a single person and \$45,390 for a married couple. *(There is no asset limit!)*

**Who can join?**

If you are a Massachusetts resident, eligible for Medicare, and are:

- 65 years or older with an annual income at or less than \$55,850 for a single person or \$75,650 for a married couple

OR...

- under 65 years and disabled, with an annual income at or less than \$21,000 for a single person or \$28,444 for a married couple.

If you are **not** eligible for Medicare, you can also join and there is *no income limit*.

**How can Prescription Advantage help you?**

- If you have Medicare, Prescription Advantage helps pay for your prescriptions when you reach the Medicare Part D coverage gap (donut hole).
- If you are unhappy with your current Part D or Medicare Advantage plan, Prescription Advantage allows you to switch your plan **now**, instead of waiting for Open Enrollment in October.
- If you are NOT currently enrolled but you need a Part D or Medicare Advantage plan **now**, joining Prescription Advantage allows you to enroll right away.
